

e-waste recycling day

Saturday 27 March 2010

9am-2pm

The City of Onkaparinga and Zero Waste SA will be holding an e-waste recycling drop off day. Regular disposal fees will be subsidised helping you to dispose of your defunct electrical items ethically and appropriately.

Please bring along any unwanted electronic items and help keep those materials and toxins out of our environment. Over 90% of electronic material received through our e-waste collection will be recycled.

There will be two drop-off locations:

Aberfoyle Park and **Lonsdale**.

See the maps on the back for location details.

This collection is not intended for white goods. See overleaf for the accepted range of materials.

PRICE LIST

Residents will be charged a small fee to cover some of the recycling costs. The City of Onkaparinga and Zero Waste SA will cover all other costs of the program. Please note the detailed price list below and where possible have the correct money ready on arrival.

This service is not available to businesses or for commercial quantities.
