

JamaeRaw
SCHOOL OF THE ARTS

Fundraiser 2009

visit our website for more details
on sponsorship opportunities

WWW.JAMAERAW.ORG

JamaeRaw is the only independent, not-for profit organisation in South Australia providing professional education in the fields of performing arts.

We are in urgent need of raising \$10,000 to enable our organisation to continue its valuable contribution into the next financial year.

We currently offer invaluable experiences for more than 70 youths to be creatively expressive.

JamaeRaw supports them to develop confidence, teamwork, talents, and employment opportunities within the arts.

Money raised will allow the school to continue working towards upcoming performances; the crucial employment of a promotions manager to grow our operations; as well as reaching out for new members of the JamaeRaw family.

We need your help to keep this community asset alive!

Tax deductible opportunities for individual sponsors (via ABAF) and advertising for business sponsors are available to demonstrate your support for the young and vibrant talent at JamaeRaw.
