Village Sports Day and Xmas Party - 15 December

Kids of all ages had a great time at the sports day, competing in a variety of traditional jousts - including the tug-of-war (left). Thanks to Karri and Murphy who organised the day, and to all the competitors who really got into the spirit!

After the sports, we all relaxed around the Pizza oven (left) to celebrate the Xmas season.

Xmas Eve Happy Hour

Tony and Franka hosted a friendly pre-Xmas gathering (below), with great company, good food, music and carol singing as well.

Kerry's Café

At last some initial work is under way on the site (left). Bring it on! We can't wait!

Recent Visitors

Minister John Hill (right) visited the "Straw-Barn" and "Heij-shed" to check out low-energy housing designs.

The other visitor (left) was spotted early one morning checking out the future linear park.
